WHO WE SUPPORT

- coordinators of mentoring programmes
- coordinators of projects on cultural and institutional change in academia and research
- gender equality officers in universities and other research institutions
- stakeholders in science and research policy

WHAT WE DO

- foster the **exchange of experience** and best practice among mentoring programmes coordinators (workshops, conferences, consulting)
- promote **quality standards** of mentoring programmes in Europe
- highlight the **role of mentoring** in the process of supporting gender equality and diversity
- support the **transfer of knowledge** and expertise
- facilitate **cooperation** among programmes and promotion of mentoring activities
- aim to put mentoring on **science policy** agendas in universities and other research institutions

MEMBERSHIP

Academic and research institutions that coordinate a mentoring programme promoting cultural and institutional change in academia and research are eligible for **full membership**.

Individuals and institutions that either consider setting up a mentoring programme or have specific scientific or professional expertise related to the aim of the Association are eligible for **associate membership**.
